

OCEAN MIST
AGED CARE

Welcome into the family

OUR MISSION

To provide a high standard
of care and service with respect
to the individual's rights and needs;

To provide a happy environment
for residents to live in, staff to work in,
and family and friends to visit, through
listening, talking and working together.

OUR VALUES

The residents live in a safe, happy, home-like
environment where their privacy, dignity and
individual needs and choices are respected.

ACTIVITIES & FACILITIES

Ocean Mist Aged Care is located in Torquay and is built upon the premise that a warm, comfortable and social environment is important in providing residents a place that is as safe and familiar to them as their own homes. They focus on ensuring that residents are provided the time and support to adapt to significant lifestyle changes and help to minimise any disruption during the adjustment period.

Ocean Mist offers residents requiring a variety of needs including, respite, palliative and memory support unit. Recognising the immediate and long-term individual needs of residents, they provide holistic physiological and psychological care with a focus on maintaining residents' dignity and independence.

At Ocean Mist, the management and staff are committed to providing high quality, professional care to their residents and look forward to assisting you and your loved ones during the transition and on an ongoing basis. They encourage involvement and feedback from residents, family, friends and professionals in order to facilitate continuous improvement of our facilities and services.
