AGED CARE

*Welcome into the family*

### OUR MISSION

---

To provide a high standard  
of care and service with respect  
to the individual's rights and needs;  
To provide a happy environment  
to live in, staff to work in, and family  
and friends to visit, through listening,  
talking and working together.

### OUR VALUES

---

To provide a safe, happy, home-like  
environment where their privacy, dignity and  
individual needs and choices are respected.

Located in a small community, Drysdale Grove Aged Care offers a comfortable and secure environment that enables people to feel as safe and relaxed as if it were their own home.

We focus on assisting everyone to adapt to significant lifestyle changes through the engagement and support of family, friends and experienced health care staff. Drysdale Grove provides care for a variety of needs, including respite, palliative care as well as a dedicated memory support unit.

Drysdale Grove offers the opportunity to indulge in a relaxed, friendly community orientated environment, and in many cases continue to live in a familiar environment.

Drysdale Groves' premier position provides convenience through close proximity to the local community library, medical clinics, banks, supermarket, post office, bus stops and local shopping precinct.

Our caring and experienced multidisciplinary care team of registered nurses and carers provide the care of your choice. A rigorous recruitment, induction and training program is in place and ensures the highest standard of commitment and professional care is delivered at all times under Nurse call and CCTV security systems.

In addition to our highly qualified and experienced staff – Drysdale Grove is also home to various specialty Health Care services for convenience and peace of mind.
